Special feature mirrored glass doors designs

Your choice of colour - or primed for hand painting

8 contemporary & traditional designs

Mirrored doors with optional patterned inset designs

HAND-CRAFTED IN BRITAIN

## MIRRORED DOORS - PATTERNED INSET DESIGNS

### *Mirrored Glass*

Bevelled mirrors to add to the illusion of space

### *Amersham Inset*

Simple half swept curve design

## *Reigate Glass*

The 'circles of life' interlocking for a contemporary look

## *Lyndhurst Inset*

An intricate concentric pattern in the style of an Edwardian glass fronted bookcase

## MIRRORED DOORS - PATTERNED INSET DESIGNS

*Alderley Inset*

Geometric crosses styled on traditional Edwardian and Georgian furniture

*Harpenden Inset*

Swept oval half curves with horizontal dividing lines

*Holmbury inset*

A more formal twist on the Reigate style of glass door

*Lytham inset*

A more symmetrical take on the Amersham design

## Cambourne - Ovolo

### Bedroom door with 90mm stiles

A twist to the plain shaker featuring an ovolo mould inside the framing to give a subtle but elegant design, suitable to create a contemporary or traditional bedroom.

4 Panel door

4 Panel door  
Bevelled mirrors

## Canterbury - Raised bead

### Beaded bedroom door with 65mm or 85mm stiles

Featuring an ornate raised traditional Victorian style beading. The Victorian style profiled moulding is sharply mitred at the corners for a clean finish. Perfectly suited to those wanting a modern twist with period styling.
